I have the honor to state that the Director of Agriculture in Mysore, Bangalore, states in his letter No. R.O.C. 2936 of 29-30 dated 10th June 1930 (copy enclosed for kind perusal) that pen-knives and scissors are indispensable in all the Farms and Range Offices of his Department and requests that a supply of 52 pen-knives and 42 scissors may be made from the Stationery Depot for use in the forty Agricultural Ranges and Farms and in the Director's Office. The practice all along has been to restrict the supply of pen-knives and scissors to Gazetted Officers only, on account of the extra cost involved in making supplies to other officers also as directed by Government in their letter No. E. 3966/ P & S. 7-23-106 dated 23rd February 1924.

The cost of one pen-knife and a pair of scissors, to each of the forty Farms and Range Offices of the Agricultural Department as per list received with the Director's letter comes to Rs. 80/- per supply at the rate of Re. 1/- per each pen-knife and Re. 1/- for a pair of scissors which are the rates approved by the Stores Purchase Committee on the Tenders during the current year 1930-31. In view of the necessity felt for these articles in the Farms and Range Offices of the Agricultural Department as pointed out by the -

Director in his letter referred to above, I beg that sanction of Government may be kindly accorded to the supply of pen-knives and scissors to the several Farms and Range Offices in the Agricultural Department at the rate of one pen-knife and one pair of scissors - for each Farm and Range Office once in four years.

The Director requests the supply of two scissors and twelve pen-knives for the use of his office in addition to the supply to be made to the Farms and Range Offices. This supply may also be sanctioned as a special case this year.

have the honor to be,

Sir,

Your most obedient servant,

Superintendent.

Copy of letter No. Roc. 2936 of 29-30 dated 10th June 1930 from the Director of Agriculture in Mysore, Bangalore, to the Superintendent, Government Stationery, B a n g a l o r e.

In acknowledging the receipt of eight pen-knives and eight scissors sent with your invoice No. 1557 dated 9th instant, I have the honor to state that 52 pen-knives and 40 scissors were altogether indented for in this office letter No. Roc. 2936 of 29-30 dated 18th May 1930, and these are the irreducible minimum number required for the Department as per list already sent to you. For ready reference I enclose herewith another copy of the list. As already stated, these articles are indispensable in all the Farms and Range Offices and will have to be purchased in the market in case the supply is not forthcoming from the Government Stationery. I therefore request you to be so good as to arrange for the immediate supply of the balance, viz., 44 pen-knives and 34 scissors.
